# **Russisch-Deutsche Beziehungen: Wirtschaft und Politik (RDWP)**

In English: Russian-German Relations: Economics and Politics

### **What is Russisch-Deutsche Beziehungen: Wirtschaft und Politik?**

Russisch-Deutsche Beziehungen: Wirtschaft und Politik (RDWP) is a one-year study program run jointly by the Freie Universität Berlin and MGIMO.

RDWP is the continuation of the certificate program “German Studies Russia” which was reorganized in 2020. Now the program is offering even deeper study of political and economic system of Germany and the EU.

The program is held by invited lecturers from Germany in German and English at MGIMO, where students of all faculties can participate.

The program is absolutely free and focuses primarily on Bachelor students with good knowledge of the German language.

### **What is included in the program Russisch-Deutsche Beziehungen: Wirtschaft und Politik?**

During their studies at Russisch-Deutsche Beziehungen: Wirtschaft und Politik 6 modules are offered to students:

- Economics and economic system of Germany;
- World economics and foreign economic policy of Germany;
- German-Russian relations in a historical perspective;
- German foreign policy in the context of the European Union;
- Issues of European economic integration;
- Internship (6 weeks in the second half of the program).

After the successful completion of the program graduates receive a certificate confirming high skills of German language and 30 ECTS credits, which is recognized in all European universities.

The best graduates receive a scholarship to study at the Freie Universität Berlin for one semester.

### **What are the basic ideas of the program?**

The program helps students to significantly expand their German skills as well as to gain deep knowledge of the economics and politics of Germany and the European Union.

Thanks to working with German lecturers and foreign tutors as well as doing internship in a German company in the second half of the study program, students significantly strengthen their communication skills. They improve their skills and abilities to enter into the job market.

Many graduates used RDWP as a starting point for their studies and careers in Germany.
